

SPORTident Starter Training Sets

Electronic Timing for Small Groups & Clubs
With Modest Budgets

SPORTident Starter Training Sets offer small groups and clubs a great way to provide electronic timing for a wide range of sport and leisure activities.

Stage 1 comes complete with all the equipment you need to print a start and finish time for your participants immediately after the finish line. You do not need a computer or electricity at your event and the set can be added to over time as your club develops and grows. SI-pCards (flat cards) are carried on a lanyard and are ideal as an introduction to SPORTident and orienteering. Those who orienteer regularly use a different SI-Card, more suited to competition, that is attached to a finger by an elastic loop. They can be substituted for the flat cards in the Stage 1 kit at an additional cost of £12.70 per card.

Stage 1

- **20 x Flat SI-pCards and Lanyards**
- **Start and Finish Stations**
- **Clear Station** (also used to synchronise times in stations)
- **Printout set**
- **Coupling Stick and Admin keys**

£923.35

Stage 2

- **10 x Control Stations for the course**
- Controls can be purchased in other quantities (to a maximum of 20 for use with the flat cards)

£802.30

Prices exclude VAT and are subject to change without notice and are affected by currency fluctuations.
